

Lance Roberts

Mr. Roberts is an Architectural Intern with 5 years of experience in architectural project design. Mr. Roberts's Project Design experience was formed while working at FKP Architects, HOK, and J.J.May & Associates. Mr. Roberts now serves as an Architectural Designer for Total Engineering Services, LLC under the direct supervision of Kirk Acheson.

As an Architectural Designer, Mr. Roberts performs and oversees design tasks for Architectural systems. He is experienced in residential, commercial, and industrial facilities including masonry, metal, and wood building systems, office, shop, warehouse, and factory designs. He also has experience in Master Site Planning.
